Toyo Tire Contingency Program Info for Non Spec Racers

- **Non Spec (inc. PWR) racers are eligible for Toyo Bucks Contingency for 2 races per weekend as designated by the Race Organizers**
 - **Participating Racers will bring copies of the Toyo Non-Spec Claim form with them to the event (Form can be found here: <https://bmwccaclubracing.com/sponsors/contingency-program/>)**
 - **Following the relevant races, the racer will need to find a race steward who will verify the Toyo tires used, the Toyo decals on the car and sign the form**
 - **Note: It is the racers responsibility to seek out the steward to get validation and have the forms signed. It is NOT the steward's responsibility to make this happen.**
 - **If forms are not signed at the event, they can not be signed at a later time.**
 - **Claim Forms and Race results are to be submitted on line at: www.toyoracerrebates.com. This has to be done within 30 days of the race – Toyo makes no exceptions.**

- **Note: The claim form asks for number of competitors in class. This includes all competitors in that class whether on Toyo tires or not. Also finishing position is for all competitors in class not just those running Toyo Tires. There needs to be at least 3 competitors in class before there is a Toyo payout.**
